

Dear parents,

Please take care of yourself and your family by staying at home and be safe. The nature may be cruel at this time but has given you a golden opportunity to connect with your family members and spend healthy time with your child as well. Play for the world for good health.

As school couldn't conduct Admission Test for std XI Science and Commerce on the schedule date, we couldn't take admission and we feel that students will be lagging behind their courses if they are deprived of classes at this time.

Although we are not able to conduct Admission Test as restricted by Govt.

We have already started NCC in our school premises. We can take provisional Admission so that we can start online teaching system which is going on for other classes.

In lieu of that you are requested to send an application containing your details with WhatsApp no signed by you latest by 15th April, 2020 and send it to our school email [nskanke@yahoo.co.in/](mailto:nskanke@yahoo.co.in) WhatsApp number 9031217728, 9304544342. Those who have already applied through online will also provide their WhatsApp number to us so that we can communicate with them. This application will be accepted from other school students as well but first priority will be given to our students. After required number of seats are filled up, the Admission process will be closed.

With regards

Principal

Nirja Sahay DAV Public School, Kanke
